In the morning when I rise
Help me to prioritize
All the thoughts that fill my day

Before my schedule
Tells me that my day is full
Before I'm off and on my way

I want to praise you
I need to praise you
Let the first song that I sing
Be praises to my God and King

Before the curtains part
Before my day is starting
Before I make up the bed

Before the snooze alarm
Reminds me that it's morning
Before the dreams have left my head

I want to praise You
I need to praise You
Let the first song that I sing
Be praises to my God and King
(Praise the Lord, Praise Him)
(Praise the Lord, Praise)

Before my feet hit the floor, I'll praise you Lord, I'll
praise you Lord
Before I fill my cup, I'll lift you up, I'll lift you up
Before I start my day, I'll sing Your praise, I'll sing Your
praise
Before I start my car, before I get too far....

I want to praise You
I need to praise You, oh
Let the first song that I sing
Be praises to my God and King
(Praise the Lord, Praise Him)
The first song that I sing be praises..
Let the frst song that I sing be praises..

(Praise the Lord, Praise)
Let the first song that I sing
Be praises to my God and King

(First song that I sing)
Sing your praise to the Lord
(First song that i sing)
Come on everybody
(First song that I sing)

First song that I sing be praises..
(First song that I sing)
Come on everybody
First song that I sing be praises..
(First song that I sing)
Let the first song that I sing
Be praises to my God and King
(Stand up and sing come on, Hallelujah)
Let the first song that I sing be praises..
Come on everybody
(First song that I sing)

(Come on sing, sing, sing)
Before my feet hit the floor
(Come on sing, sing, sing)
I am going to praise you Lord
(Come on sing, sing, sing)
First song that I sing
(First song that I sing)
(Come on sing...)
First song that I sing
(First song that I sing)
(Sing, sing, sing)
(Praise the Lord)
(First song that I sing)
(Come one sing, sing, sing)
(Praise the Lord)
(Praise the Lord)
(Come on sing..)
(Sing, sing, sing...)
