Speak in a summer tone,
Pause in the afterglow.
Tenderly whisper my name.
Tell me once again, why I am your bride.
So I can fly.
So I can fly.
Pause in your busy day,
Look extra long my way.
Wink at me across the room.
Kiss me longer,
Touch my arm when I am by your side.
So I can fly.
So I can fly.
Oh, oh, oh, oh
Oh, oh, oh...
Oh, how the little things strengthen my tiny wings.
Help me to take on the world.
When you love me, there's nothing I wouldn't try.
I might even fly,
I might even fly,
I might even fly.
Oooo, I'll fly.
I'll fly. I'll fly.
I will fly.
I will fly,
I'll fly.
I'll fly.
I'll fly.
