O, holy night, the stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth

A thrill of hope, the weary world rejoices  
Yonder breaks a new and glorious morn  
Oh, fall on your knees and hear the angels' voices  
Singing, O, night divine

Truly He taught us to love one another  
His law is love and His gospel is peace  
Chains shall He break for the slave is our brother  
And in His name all oppression will cease

Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name  
O, Christ is the Lord, O, praise His name forever  
His power and glory proclaim

Shining Star, jingle bells [Incomprehensible]  
Come to the earth to save our souls

O, Lord when You came to the earth  
O, my soul, my soul felt it's worth  
O, my soul, my soul felt a thrill of hope  
([Incomprehensible])  
For yonder breaks a new and glorious morn

O, fall on your knees and hear the angels' voices  
Singing, O, night divine  
Singing, O, night, O, this holy night  
Singing, O, night divine
