something changed inside me  
broke wide open, all spilled out  
till I had no doubt  
that something changed

never woulda believed it  
till I felt it in my own heart  
in the deepest part  
the healing came

and I cannot make it  
and I cannot fake it  
and I can't afford it  
but it's mine

something so amazing  
in a heart so dark and dim  
when the walls fall down  
and the light comes in

and I cannot make it  
and I cannot fake it  
and I can't afford it

but it's mine

oh, oh, oh

and I cannot make it  
and I cannot fake it  
and I can't afford it  
but it's mine  
and I cannot make it  
and I cannot fake it  
I can't afford it  
but it's mine  
but it's mine  
but it's mine  
oh, thank you Lord  
thank you Lord, thank you Lord  
leave it like a skin upon the ground

something changed inside me  
broke wide open, all spilled out  
till I had no doubt  
that something changed
