When you said this was a fight  
You weren't kidding  
When you said this was a fight  
You weren't kidding, kidding  
'Cuz my ribs are bruised  
And it's just round two

When you said this was a fight  
You weren't kidding  
When you said this was a fight  
You were not kidding  
'Cuz there's a cut on my eye  
And it's just round five

And I used to be quick  
I used to see you coming  
I used to know how to move my feet  
Now I can't duck  
And I can't land nothin'  
And I forgot how to bob and weave  
Bob and weave

When you said this was a fight  
You weren't kidding  
When you said this was a fight  
You weren't kidding, kidding, kidding  
'Cuz this room's in a spin  
And it's just round ten

If you care at all  
Take that towel from your neck  
'Cuz I've reached down deep  
And there is nothing left  
I've got nothing  
I've got nothing  
I've got nothing

And I was talkin' big  
I was talkin'  
But now, now what?

Greater is He who is in me

Greater is He who is in me  
Okay, okay, okay  
Greater is He who is in me  
Greater is He who is in me  
Greater, greater, okay

Bob and weave (x12)

And I can't just know it  
I've got to feel it  
And I can't just feel it  
I've got to believe it  
And I can't just believe it  
I've got to live it  
And I can't just live it  
(You've got, you've got to believe it)

Bob and weave (x6)
