f/ Craig G

(I don't even remember how this happened)

(The Crew will not understand it)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Yee-ee-aah)

(The Crew will not understand it)

[VERSE 1]

Yo, this jam is dedicated to you, boy, just listen

Take off your coat, get in a fit position

Cause I'm about to burn you at 45 Fahrenheit

You're jealous of the crew, that's why you're starin,
right?

Forget the answer, the situation's obvious

When this is over, let's see who feels the sorriest

You'll be like, "Damn Craig, why did you play me, yo?"

And then you realize we're toppin rap radio

Cause it's no game, boy, you can't do work

Marley, please tell us his name (Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Has your crew suddenly become interested in promoting a war?)

[VERSE 2]

Now our crew is broken down into a large amount of channels

And not one of us can you handle

On the mic Magic, on the tables Marley

And when it comes to bein dope, don't ask: are we?

Cos our style is different, or should I say irregular?

And if you wanna get all hype, I'll have to settle ya

By pullin out my 12-gauge shotgun

And if you wanna go rhyme for rhyme, I got some

Dope rhymes for sure, or should I say galore?

But I won't sound old-schoolish, in other words foolish

I have a question now: who feels hurt?

Marley, do you have the answer? (Duck Alert)

Thank (yee-ee-aah)

(Duck Alert)

(Yee-ee-aah)

(What happened between us, was for us alone)

(Yee-ee-aah)

(Duck Alert)

(I am speaking to you from the Bridge)

(Yee-ee-aah)

(Duck Alert)

(Yeeeeeeeh)

[VERSE 3]

After this, I hope you get someone to battle me

But make sure this person has originality

That's right, original, yeah, you heard me

I don't want his beats soundin like Hurby's

Oops - I mean Marley, cause Hurb's a beat-biter

I don't know where the both of you get the right to

Come in the industry, steal someone's property

And some of you, forbid, start clocking's

Now that's not fair, Marley's the rightful owner

Yet you still treat him like he's a blood-doner

So now it's time to have revenge to all you jerks

Especially who, Marley? (Duck Alert)

That's right

(Yee-ee-aah)

(Duck Alert)

(I am speaking to you from the Bridge)

(Yee-ee-aah)

(Duck Alert)

(Yee-ee-aah)

(You're from where?)

[VERSE 4]

Ehm - at the final stage, cut the scratches

Marley Marl? I think no one can match his

Cuttin ability on the 1200s

And many listeners, they often wonder

(Yo man, was that a tape?!) Nah, never in a milion
years

You see, the liveness gives us the feelin we're

Bein accepted as true entertainers

And it will stay that way for the remainder

Of the century, that's how it's meant to be

You don't believe me? You will eventually

Because the situation, boy, you can't divert

Escpecially who, Marley? (Duck Alert)

Ah-ha

(Yee-ee-aah)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Duck Alert)

(Yee-ee-aah)

(Duck Alert)

(Duck Alert)

(Yee-ee-aah)

(Eat your ass up)

(I don't even remember how this happened)

(Eat your ass up like a steak ???)

(The Crew will not understand it)

(Eat your ass up like a steak ???)

(The Crew will not understand it)

(Eat your ass up like a steak ???)

(Has your crew suddenly become interested in promoting a war?)

(Eat your ass up)

(Eat your ass up)

(What happened between us, was for us alone)

(Eat your ass up)

(Eat your ass up like a steak ???)

(I am speaking to you from the Bridge)

(Eat your ass up)

(I am speaking to you from the Bridge)

(Eat your ass up like a steak ???)

(From where?)

>From the Bridge)
