#### Verse 1:

I want you so bad, I'm shaking  
You're like a needle underneath my skin  
I won't let my hunger for you pull me back again  
Wrapped up in you, I lost myself  
Couldn't see how I needed some help  
Guess the fear of leaving made me stay

#### Chorus:

I'm so sick of trying, praying that you'll change  
I'm walking the line between pleasure and pain  
I've got nothing left  
I gave all of me  
Hurt so bad, I can barely breathe  
Gotta save me from my addiction

#### Verse 2:

You were my strongest weakness  
Took advantage of my love  
You used me over and over til you used me up

#### Chorus:

I'm so sick of trying, praying that you'll change  
of walking the line between pleasure and pain  
I've got nothing left  
I gave all of me  
Hurt so bad, I can barely breathe  
Gotta save me from my addiction

Ohh...Ohhh...

I gave it away  
I gave it away  
I gave it all away  
I gave it away  
I gave it away  
I gave it away to you, yeah

I'm so sick of trying praying that you'll change  
of walking the line between pleasure and pain  
I'm so sick of crying on the bathroom floor  
Don't want to want you anymore

Got nothing left  
I gave all of me  
Hurt so bad I can barely breathe  
I gotta save me, from my addiction

Ohh...Ohh...Ohh..
