(Hmmm... Ohhh...)

VERSE 1

I was alone sitting on the steps outside your door
You weren't home and I've been through this too many
times before
And we go on and on, round and round
It's like we can't break free

CHORUS

You're bringing me down
Now you got me on my knees
The first time around
You were so good to me
But now I'm out here in the cold
But just my own hands to hold
But where are you?... Where are you?

VERSE 2

Time goes but slow
Makin' my way through the words you said
And I didn't know
You were only playin' with my head
But still we go on and on, round and round
It's Time that we break free (Time we break free)

CHORUS

You're bringing me down
Now you got me on my knees
The first time around
You were so good to me
But now I'm out here in the cold
With just my own hands to hold

You built me up
You made me believe
That I was the only one
That you'd ever need
And now I'm sittin' here
And nobody cares but me

Stop bringing me down

Now you got me on my knees... (you got me on my knees)
The first time around
You were so good to me... (Used to be so good to me)
But now I'm out here in the cold
With just my own hands to hold
(Just my own hands to hold)

You're bringing me down... (Oh you're bringing me down)
Now you got me on my knees
The first time around
You were so good to me
But now I'm out here in the cold
But just my own hands to hold

(W h e r e A r e Y o u ?)

Oh you're bringing me down down down
Just my own hands to hold (yeah yeah...)

(W h e r e A r e Y o u ?)

You were so good to me

(W h e r e A r e Y o u ?)

Stop bringing me down
