It's not too late  
don't make me wait

If you love me

I won't give up without a fight  
girl, this love is on my mind  
I know that true love is hard to find  
girl, you're always on my mind  
It's up to you to make it last  
girl, forgive me for the past

Since you came into my life  
my whole world has changed  
I want you to stay  
I treated you so kind and gave you all my love  
girl, please won't you stay

Chorus:

If you still love me, you won't let me go  
If you still love me, you won't let me  
If you still love me, you won't let me go  
If you still love me  
you won't let me go

Just when I thought I had it all  
girl and I'm ready for the fall  
you told me you love me  
so where are you now  
It's up to you to make it last  
girl forgive me for the past

Since you came into my life  
my whole world has changed  
I want you to stay  
I treated you so kind and gave you all my love  
girl, please won't you stay

Chorus

So, where are you now

It's not too late to tell me  
that you still love me  
don't make me wait

Chorus
