Well I wouldn't say no  
To a glass of beer  
'Cause I'm in the mood  
'Cause I'm mister rollercoaster  
Gonna grab my telecaster  
And play the clown  
So give a damn give a damn boys  
So give a dime give a dime boys  
And I'll show you my style  
And I'll give you my life  
Let's go

Don't you call me a queer  
If I show you my rear  
In a place like here  
Because I'm mister rollercoaster  
Fell better than ever  
Fell better than ever tonight  
So give a damn give a damn boys  
So give a dime give a dime boys  
And I'll give you my life  
And I'll give you my life

Oh boys I'm gonna stumble  
Yeah boys I'm gonna get in trouble  
Now I can only mumble  
Please let me take my bow  
And make my way home in the rain
