Welcome to a place where time doesn't matter  
And all you've ever reached  
Is comparable with dust  
Doesn't it feel strange  
When all these things are shoddy  
And all these things you liked  
And all you've ever trusted

But it isn't as bad as it seems at the first sight  
A little bit freaky, when nothing's wrong or right

In this world water changes to wine  
Fears are afraid, sorrows are debarred  
Good and evil is combined  
Beyond the end exists no crime

Don't be shy to make a change  
Try to become complete again  
Would you believe to live in here without any kind of  
fear

Some noise from the neighborhood  
is telling what you never would  
Now close your eyes and make a wish  
and pray that it get's accomplished

In this world water changes to wine  
Fears are afraid, sorrows are debarred  
Good and evil is combined  
Beyond the end exists no crime

Now in this world, but isn't as bad  
Changes to wine, as it seems at the first sight  
Fears are afraid, a little bit freaky  
Sorrows debarred, when nothing's wrong or right

In this world water changes to wine  
Fears are afraid, sorrows are debarred  
Good and evil is combined  
Beyond the end exists no crime

Good and evil is combined, beyond the end exists no  
crime!
