Its 3am and I wanna go to bed  
I got a lady running through my head  
Ran out of money looking for a night shift  
Its 3am and I wanna go to bed

I know this lady way down in my country  
She was so pretty that my eyes through disguises at  
me  
And we would sit and wonder about the future  
But now I'm thinking that today sounds fine to me

Well I've been working my days on full time  
I got no money but everything is going fine  
But I've been tired in my head  
Said I've been tired in my head

Its 3am and I wanna go to bed  
I got a lady running through my head  
Ran out of money looking for a night shift  
Its 3am and I wanna go to bed

I know this lady with eyes as blue as the sea  
Now we would sit and stare directly through me  
And that laugh would take me to the future  
Throughout the past there was nothing left for me

But I've been working my days on full time  
I got no money but everythings going fine  
But I've been tired in my head  
Said I've been tired in my head

Its 3am and I wanna go to bed  
I got a lady running through my head  
Ran out of money looking for a night shift  
Its 3am and I wanna go to bed

Its 3am- I wanna go to bed  
I got a lady running through my head  
Ran out of money- I'm looking for a night shift  
Its 3am and I wanna go to bed

Its 3am- I wanna go to bed  
I got a lady running through my head  
Ran out of money- I'm looking for a night shift  
Its 3am and I wanna go to bed

wanna go to bed  
wanna wanna go to go to bed  
wanna wanna wanna go to bed
