You're on a break and need a space  
Is that the story  
You see the world to go at late  
Not to worry

You always know your home (2X)

We are one, madly  
Whatever we do hoo hoo  
This much is true  
We are one, so madly  
Whatever comes to you  
This much is true

The ways we are that keeps me up  
Wikes in white noice  
Sas the door I watch the clock  
And how it all (swoos)

You always know your home (2X)

We are one, madly  
Whatever we do hoo hoo  
This much is true  
We are one, so madly  
Whatever comes to you  
This much is true

While it's good enough for you  
It's good enough for me aswell  
And whatever comes to you  
I will always be a friend

We are one, madly  
Whatever we do  
This much is true

You always know your home (3X)  
This much is true  
You always know your home (3X)  
This much is true
