I was looking for love  
He was seeking adventure but never said at the time  
A first rate act, close to perfection  
Though not what I had in mind

I can't believe the love he showed me  
Was only hurt in disguise  
I can't believe I let myself  
Be fooled by him, I realize

False alarm, the love he showed me  
False alarm, he left me so lonely  
(False alarm) The love in his eyes was only hurt in  
Disguise

It was a false alarm  
It was a false alarm

He promised the world and I can remember  
He said our love wouldn't end  
I gave him my heart, now I face rejection  
I won't let it happen again

I can't understand I wasted my time  
On someone I don't really care  
I can't understand our love went wrong  
I cry alone, 'cause he's not there

False alarm, the love he showed me  
(False alarm) He left me so lonely  
(False alarm) The love in his eyes was only hurt in  
Disguise

It was a false alarm  
It was a false alarm

I always thought we would last forever  
But now it seems so long ago and we're not together

(False alarm) The love that he showed me  
(False alarm) He left me so lonely

(False alarm) The love in his eyes was only hurt in  
Disguise

It was a false alarm

I can't believe the love he showed me  
Was only hurt in disguise  
I can't believe I let myself  
Be fooled by him, I realize

(False alarm) The love that he showed me  
(False alarm) He left me so lonely  
(False alarm) The love in his eyes was only hurt in  
Disguise

It was a false alarm  
It was a false alarm  
It was a false alarm

(False alarm)  
(False alarm)  
(False alarm)

It was a false alarm  
Mmm, it's just a false alarm  
Oooh, it's just a false alarm  
Hahahaha!

(False alarm) The love that he showed me  
(False alarm) He left me so lonely  
(False alarm) The love in his eyes was only hurt in  
Disguise

(False alarm) Ooohooohooohoo  
(False alarm) Ooohooohooohoo  
(False alarm) The love in his eyes was only hurt in  
Disguise

It was a false alarm  
It was a false alarm  
False alarm  
It was a false alarm
