Ebbene? ... N'andr lontana,  
Come va l'eco della pia campana,  
L, fra la neve bianca;  
L, fra le nubi d'or;  
L, dov' la speranza, la speranza  
Il rimpianto, il rimpianto, e il dolor!

Ebbene? ... N'andr lontana,  
L, dov' la speranza, la speranza  
Il rimpianto  
Sola e lontana!

Two men collide  
When two men collide, when two men collide  
It's a question of honour  
Two men collide  
When two men collide, when two men collide  
It's a question of honour  
Two men collide  
When two men collide, when two men collide

If you win or you lose, it's a question of honour  
And the way that you choose, it's a question of honour

I can't tell what's wrong or right  
If black is white or day is night  
But I know when two men collide  
It's a question of honour

If you win or you lose, it's a question of honour  
And the way that you choose, it's a question of honour  
If you win or you lose, it's a question of honour  
And the way that you choose, it's a question of honour

I can't tell what's wrong or right  
If black is white or day is night  
I know when two men collide  
It's a question of honour

Ebbene? ... N'andr lontana,  
Come l'eco della pia campana,

L, fra la neve bianca;  
L, fra le nubi d'or;  
N'andr, n'andr sola e lontana!  
E fra le nubi d'or!
