Yeah, I said its all right
I wont forget
All the times I waited patiently for you
I think youll do (just what) you choose to do
And I will be alone again tonight my dear

Yeah, I heard a funny thing
Somebody said to me
You know that I could be in love, with almost everyone
I think that people are the greatest fun
And I will be alone again tonight, my dear

Yeah, I heard a funny thing
Somebody said to me
You know that I could be in love with almost everyone
I think that people are the greatest fun
And I will be alone again tonight, my dear
