(friends for life)
Sarah
I don't have to say
A word to you
You seem to know
Whatever mood
Im going through
Feels as though
Ive known you forever

Jos
You
Can look into my eyes and see
The way I feel
And how
The world is treating me
Maybe I have known you forever

Both
Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life
Not just a summer or a spring
Amigos para siempre

I feel you near me
Even when we are apart
Just knowing you are in this world
Can warm my heart
Friends for life
Not just a summer or a spring
Amigos para siempre

Sarah
We share memories
I wont forget
And well share more,
My friend,
We haven't started yet

Something happens
When were together

Jos
When
I look at you
I wonder why
There has to come
A time when we must say goodbye
Im alive when we are together

Both
Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life
Not just a summer or a spring
Amigos para siempre

I feel you near me
Even when we are apart
Just knowing you are in this world
Can warm my heart
Friends for life
Not just a summer or a spring
Amigos para siempre

Jos
When
I look at you
I wonder why
There has to come
A time when we must say goodbye

Both
Im alive when we are together

Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life
Not just a summer or a spring
Amigos para siempre

I feel you near me
Even when we are apart
Just knowing you are in this world
Can warm my heart
Friends for life

Not just a summer or a spring
Amigos para siempre

Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life
Not just a summer or a spring
Amigos para siempre
Amigos para siempre
