From aspects of love anything but lonely,
Anything but empty rooms.
Theres so much in life to share -
Whats the sense when no one else is there?

Anything but lonely,
Anything but only me.
Quiet years in too much space -
Thats the thing thats hard to face and
You have a right to go
But you should also know
That I wont be alone for long.
Long days with nothing said
Are not what lie ahead -
Im sorry, but Im not that strong.

Anything but lonely,
Anything but passing time.
Lonelys what Ill never be,
While theres still some life in me and
Im still young, dont forget
It isnt over yet -
So many hearts for me to thrill.
If youre not here to say
How good I look each day,
Ill have to find someone who will.

Anything but lonely,
Anything but empty rooms.
Theres so much in life to share -
Whats the sense when no one else is there?
Whats the sense when no one else is there?
