Aranjuez,  
Un lugar de ensueños y de amor  
Donde un rumor de fuentes de cristal  
En el jardín parece hablar  
En voz baja a las rosas

Aranjuez,  
Hoy las hojas secas sin color  
Que barre el viento  
Son recuerdos del romance que una vez  
Juntos empezamos tu y yo  
Y sin razón olvidamos

Quizá ese amor escondido está  
En un atardecer  
En la brisa o en la flor  
Esperando tu regreso

Aranjuez,  
Hoy las hojas secas sin color  
Que barre el viento  
Son recuerdos del romance que una vez  
Juntos empezamos tu y yo  
Y sin razón olvidamos

En Aranjuez, amor  
Tu y yo

[English translation:]

Aranjuez, a place of dreams and love  
Where a rumour of crystal fountains in the garden  
Seems to whisper to the roses

Aranjuez, today the dry leaves without colour  
Which are swept by the wind  
Are just reminders of the romance we once started  
And that we've forsaken without reason

Maybe this love is hidden in one sunset  
In the breeze or in a flower

Waiting for your return

Aranjuez, today the dry leaves without colour  
Which are swept by the wind  
Are just reminders of the romance we once started  
And that we've forsaken without reason

In Aranjuez, my love  
You and I
