(With Gregorian)
Will you join me, join me, join me
Will you join me, join me, join me
Will you join me, join me, join me
We are so young
our lives have just begun
but already we are considering
escape from this world
and we've waited for so long
for this moment to come
was so anxious to be together
together in death
Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
Join me in death
This world is a cruel place
and we're here only to lose
so before life tears us apart let
death bless me with you
Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
Join me in death
This live ain't worth living
This live ain't worth living
This live ain't worth living
Join me, join me
This live ain't worth living
Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
