Oft in the stilly night
Ere slumbers chain has bound me,
Fond memry brings the light
Of other days around me:
The smiles, the tears of boyhoods years,
The words of love then spoken;
The eyes that shone,
Now dimmd and gone,
The cheerful hearts now broken!
Thus in the stilly night
Ere slumbers chain has bound me,
Sad memry brings the light
Of other days around me.

When I remember all
The friends, so linkd together,
Ive seen around me fall
Like leaves in wintry weather,
I feel like one
Who treads alone
Some banquet-hall deserted,
Whose lights are fled,
Whose grlands dead,
And all but he departed!
Thus in the stilly night
Ere slumbers chain has bound me,
Sad memry brings the light
Of other days around me.
