Cuando anochezca  
Te esperare  
Quiero volverte loco esta noche  
Con la luna llena  
Te esperare  
Hoy Moriras entre mis brazos  
Nunca sonaste algo igual

Let me dive in  
To pools of sin  
Wet black leather on my skin  
Show me the floor  
Lay down the law  
I need to taste you more

[Refrain:]  
Then I feel your sea  
Raining down on me  
Can this be my once in a lifetime  
Hell's at heaven's door  
As I need you more  
You know you're my once in a lifetime

Todo tu cuerpo temblara  
Pero esta vez, es realidad  
Aunque el tiempo pase  
Nunca  
Nunca lo olvidarás  
Sera  
Solo una vez en tu vida.

When you take me  
And make me cry  
Then I feel you satisfy  
Show me the cage  
It's all the rage  
And lock it up

Found a part of me  
That's a mystery  
That will be just once in a lifetime

When the moon is high  
Passion never dies  
Will you want me for all a lifetime

Once in a lifetime  
Once in a lifetime  
Once in a lifetime

Giving you my soul  
Letting you control  
Took away a part of my lifetime  
Memories of you  
Left me black and blue  
Now I know you're once in a lifetime

[Refrain]

Found a part of me  
That's a mystery  
That will be just once in a lifetime  
When the moon is high  
Passion never dies  
Will you want me for all a lifetime

[Refrain]

Found a part of me  
That's a mystery  
That will be just once in a lifetime

When the darkness falls  
I will wait for you  
I want to drive you crazy tonight  
With the full moon  
I'll wait for you  
Tonight you'll die in my arms  
You never dreamt of anything like

Your whole body will tremble  
But this time is reality  
Though the time will pass  
You'll never  
Never forget  
It will be  
Only once in your life
