From Aspects of Love
Michael Ball
Seeing is believing
And in my arms I see her
She's here
Really here
Really mine now
She seems at home here
Seeing is believing
I dreamt that it would be her
At last
Life is full
Life is find now
Whatever happens
One thing is certain
Each time I see
A train go by
I'll think of us
The night the sky
Forever
Sarah Brightman
He's young
Very young
But appealing
I feel I know him
Seeing is believing
And I like what I see here.
I like
Where I am
What I'm feeling
What are we doing?
Can you believe it?
A starving actress and
A star-struck boy
Oh well I might
As well enjoy
This moment
Michael Ball
Can you believe it?
Both
Seeing is believing!

I never thought I'd be here
Is this
Really me?
Am I dreaming?
No way of knowing
Where this is leading
It's fun forgetting
Who we are
Who cares?
When now the world is far
Behind us
Seeing is believing!
My life is just beginning!
We touched
And my head
Won't stop spinning
From winning
