Only tell me that you still want me here
When you wander off out there
To those hills of dust and hard winds that blow
In the dry white ocean alone
Lost out in the desert
You are lost out in the desert
But to stand with you in a ring of fire
I'll forget the days gone by
I'll protect your body and guard your soul
From mirages in your sight
Lost out in the desert
You are lost out in the desert
If your hopes scatter like the dust across your track
I'll be the moon that shines on your path
The sun may blind our eyes, I'll pray the skies above
For snow to fall on the Sahara
If that's the only place where you can leave your doubts
I'll hold you up and be your way out
And if we burn away, I'll pray the skies above
For snow to fall on the Sahara
Just a wish and I will cover your shoulders
With veils of silk and gold
When the shadows come and darken your heart
Leaving you regrets so cold
Lost out in the desert
You are lost out in the desert
If your hopes scatter like the dust across your track
I'll be the moon that shines on your path
The sun may blind our eyes, I'll pray the skies above
For snow to fall on the Sahara
If your hopes scatter like the dust across your track
I'll be the moon that shines on your path
The sun may blind our eyes, I'll pray the skies above
For snow to fall on the Sahara
If that's the only place where you can leave your doubts
I'll hold you up and be your way out
And if we burn away, I'll pray the skies above
For snow to fall on the Sahara
Oh-oh-oh oh-oh-oh
For snow to fall on the Sahara
Oh-oh-oh oh-oh-oh
