There's only one way that I'm walking
Only one thing that I'm talking about
And it's all surrounding you
I feel so light me head is dreaming
So light my eyes are beaming
And I light the way for you

Sweet surrender, soul inviting
I could fall straight into your arms
Sweet surrender, has it's price
I would risk it all for you
Sweet surrender, soul inviting
I could fall straight into your arms
Sweet surrender, has it's price
I would risk it all for your love

Stating that, and to leave me to it's morning
Only part when day is dawning
And the sky awakens you
Come lies beneath your skin, a storm
'Cause within your eyes are mountains
As the ground disappears

Sweet surrender, soul inviting
I could fall straight into your arms
Sweet surrender, has it's price
I would risk it all for you
Sweet surrender, soul inviting
(Sweet surrender, soul inviting)
I could fall straight into your arms
Sweet surrender, has it's price
(Sweet surrender)
I would risk it all for your love
For your love

Say you'd risk it all for your love
I would risk it all for your love
Sweetness comes from heaven above
My love, oh my, oh my

Sweet surrender, soul inviting
(Sweet surrender, soul inviting)

I could fall straight into your arms
Sweet surrender, has it's price
(Sweet surrender)
I would risk it all for you
Sweet surrender, soul inviting
(Sweet surrender, soul inviting)
I could fall straight into your arms
(I'd fall in)
Sweet surrender, has it's price
(Sweet surrender)
I would risk it all for your love
