My statures are falling
Like feathers of snow
Their voices are calling
In whispering word waiting for the morning light

Heaven is calling
From rainy shores

Counting wounded lights falling
Into their dreams still searching for an open door

In morning dew,
A glorious scene came through,
Like war is over now
I feel I'm coming home again

The moments unfold
In the meaning of love
This war is over now

I feel I'm coming home again

An arrow of freedom
Is piercing my heart
Breaking chains of emotion
Given a moment to pray
Lost innocence to find it's way

Feelings of sensation
A cry in the dark
Hope is on the horizon
With a reason to stay
And living for a brand new day

In morning dew,
A glorious scene came through,
Like war is over now
I feel I'm coming home again

The moments unfold
In the meaning of love

This war is over now
I feel I'm coming home again

In morning dew,
A glorious scene came through,
Like war is over now
I feel I'm coming home again

The moments unfold
In the meaning of love
This war is over now
I feel I'm coming home again
