From song and dance I have never felt like this  
For once Im lost for words  
Your smile has really thrown me  
This is not like me at all  
I never thought Id know  
The kind of love youve shown me

Now, no matter where I am  
No matter what I do  
I see your face appearing  
Like an unexpected song  
An unexpected song  
That only we are hearing

I dont know what is going on  
Cant work it out at all  
Whatever made you choose me  
I just cant believe my eyes  
You look at me as though  
You couldnt bear to lose me

Now, no matter where I am  
No matter what I do  
I see your face appearing  
Like an unexpected song  
An unexpected song  
That only we are hearing

I have never felt like this  
For once Im lost for words  
Your smile has really thrown me  
This is not like me at all  
I never thought Id know  
The kind of love youve shown me

Now, no matter where I am  
No matter what I do  
I see your face appearing  
Like an unexpected song  
An unexpected song  
That only we are hearing

Like an unexpected song  
An unexpected song  
That only we are hearing
