When you move, you shed the brightest light  
When you dance, you shake the sky

And the vibe comes pumping into me  
Like a river rushing across the land

If you want to enjoy a new destiny  
Now is the time to get up on your feet  
Yeah with me

The beat of life - Wo the beat of life  
Loaded with power to take on your fate  
There is nothing to get in your way  
The beat of life - taking us higher  
Givin' us a reason for starting a brand new life

(won't you move with me feel that beat of life)

When you spin, you bring the strongest wind  
When you jump, so does your soul

And you shout a cry to reach the stars  
Like the thunder yelling up to the Gods

If you need an answer that you're longing for  
It's always been inside that body of yours  
Can't you see

The beat of life - Wo the beat of life  
Saying goodbye to the person you were  
Meet the person that you have become  
The beat of life - you are a fighter  
You will fly into a beautiful world that you've never seen

Won't you move with me  
(Together) Feel that beat of life

The beat of life - Wo the beat of life  
Loaded with power to take on your fate  
There is nothing to get in your way  
The beat of life - taking us higher

Givin' us a reason for starting a brand new life
