I need your love in every way
And I feel this everyday
Cause I have too many tears
To fall in love again

Now
I am walking around
In this side of the town
I just can't hideaway
How can I look in your eyes
When I feel like to die
I have to runaway

Daririram dariram dariram
Darirarirariram
Dariraram dam
Dariri
Ram dariram dariram
Darirarirariram
Dariraram dam
And I'm falling in love...

Life can be hard so many times
How can I just live it fine
And I'm tryin' now to smile
And fall in love again
