YO SAY. Summer love will stimulate my heart tonight
Mysterious mermaid barefoot all alone
Wishing revealing it's the fruit I want to eat
Precious love is always eating up my heart

Uncheatable her shapely line
A convict of her lithe crime
Save me and wrap around one more time
Make a change and turn around under a wave
Back on ground holding scolding the darker side

The summer is burning a hole in my heart
Stripping me down to hot temptation
It's OK to give in be beaten by lust, summer wind,
Burning air a scandal affair

Fairies, summer folk will stimulate my fantasies
Mysterious mermaid barefoot all alone
Wishing revealing it's the fruit I want to eat
Precious love is always eating up my heart

Fagged out that's you and me, gave you the better side
of me
This town is gloomy nothing to be found
Don't wanna stop or cool down, go forever not hang
around
Don't wanna hear a boring joke in my open mind

The sky is burning a firework delight
Painting colour through the night
Holding me tightly I grab the light, summer wind,
Burning fire, getting me high

Fairies, summer love will burn up my fantasies
Hurricane in my heart whirling desire
I wanna say what's on my mind give you all I have to
give
You and me freely taking all night

The city is burning a hold in my soul
It's making me drunk cold wine kiss

I want to feel the touch of the sea, summer spray,
Refreshing air, taking me where

Fairies, summer folk will stimulate my heart tonight
Belly button mermaid barefoot all alone
Daisuke is telling me it's the only place to be
There's no problem take a chance and you'll be there

YO SAY. I say who do you wanna do it with
You can say goodbye to a night on your own
If you want precious love I can give it anytime
Revealing stealing never getting dry
