"Ordinary World"

Came in from a rainy Thursday on the avenue
Thought I heard you talking softly
I turned on the lights, the TV and the radio
Still I can't escape the ghost of you
What is happening to it all?
Crazy some say
Where is the life that I recognize?
Gone away

* But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way to
The ordinary world
I will learn to survive

Passion or coincidence
Once prompted you to say
Pride will tear us both apart
Well now pride's gone out the window
Cross the rooftops, runaway
Left me in the vacuum of my heart

What is happening to me?
Crazy some say
Where is my friend when I need you most?
Gone away

* repeat

Papers in the roadside tell of suffering and greed
Feared today forgot tomorrow
Here beside the news of holy war and holy need
Ours is just a little sorrowed talk
Blown away

Just blowing away

And don't cry for yesterday
There's an ordinary world
Somehow I have to find

And as I try to make my way to
The ordinary world
I will learn to survive

Every world is my world

Any world is my world
