Blown round by the wind  
Thrown down in Spin

\* I gave you love  
I thought that we had made it to the top  
I gave you all I had to give  
Why did it have to stop

\*\* You've blown it all sky high  
By telling me a lie  
Without a reason why  
You've blown it all sky high

\*\*\* You've blown it all sky high  
Our love had wings to fly  
We could have touched the sky  
You've blown it all sky high

Up round I've flown  
Then down, down like a stone

\* Repeat  
\*\* Repeat  
\*\*\* Repeat
