Your heart left me a lot
Your love made me wait for you
Your voice bewitched me a lot
A lot a lot

Far away, if your a second away from me

From the first sight
[b]from the second sight[/b]
From the third sight in the night
I gave you hundreds of flowers
I loved the night, and I loved you

I liked you from the first sight
From the second sight, I wished you to be mine
From the thired sight in the night
I gave you hundereds of flowers
I loved the night, and I loved you
