3ala galbi kan 7hobbak 7hakem  
ya ma kan yenseb leyya ma7hakem  
Tefra7h bdam3ee wo sa3zeeb ro7hi  
la asaf yenfa3 wa la 2olak nadem nadeim  
Mandam 3aleik, dam3 el-nadam ghali  
Ikhater 3eneik dayya3t ana 7hali  
Wo konte azenn innak habibi  
El-galbe kan yenshed te3ood leyya  
hatta ban jamr el-hawa fiyya  
Wo inta tzeed nari wo lahibi  
La la ma aloom, ma reedak tani  
ma 3ad fee lozoom, nerja3 thawani  
La el-zohd yloom wala 7hormani  
noor el-tani mazloom ma3 el-zabani  
i don't care anymore if he made me poor

Wo lamma ghab deifak 3ala 3yooni  
sabri dab wo e7htarat znooni  
Ya tara te7hfaz widadi  
3omree ra7h sahhart ana leilee  
wagt el-reba7h saber 3ala weilee  
and he told my secret the one that is patient of my night  
and the separation tired my heart  
no it's impossible that my youth comes back  
my ill heart won't accept my pain  
i can't help that he pays for me  
he's attending to leave and to ease my mind
