No no
Yeah yeah

You look in my eyes
And I get emotional
Inside
I know it's crazy but
You still can touch my heart
And after all this time
You'd think that I
Wouldn't feel the same
But time melts into nothing
And nothing's changed

I still believe, someday you and me
Will find ourselves in love again
I had a dream, someday you and me
Will find ourselves in love again

Each day of my life
I'm filled with all the joy
I could find
You know that I am not the desperate type
If there's one spark of hope left in my grasp
I'll hold it with both hands
It's worth the risk of burning
To have a second chance
No, no, no, no, no, nooo I need you baby
I still believe that we can be together
Oooooohoh no no nooo
If we believe that true love never has to end
Then we must know that we will love again
Mmmh

Oooooohoh
I still believe, someday you and me
Will find ourselves in love again
Oh baby, yeah yeah
I had a dream, you and me
Will find ourselves in love
Again
(I still believe)

Oh baby I do
(Someday you and me)
Just give me one more time
And love
Again
I had a dream, someday you and me
Will find ourselves in love
Again
