Carry me home
Sing that oh familiar song
It's just you and me
I'm just a little weak
Carry me home
Be my voice when I can't speak
And carry me, carry me, carry me

[Verse 1:]
When it gets too complicated
And the lights are low
When you're standing in the room
And you're all alone
Turn it up, lift it up, wake me up
And tell me your dream
I know I might regret it
But I don't give a damn
All I want is a soothing hand
Make it pop, burn it up, feel the cup
And tell me your dream

[Chorus:]
Carry me home
Sing that oh familiar song
It's just you and me
I'm just a little weak
Carry me home
Be my voice when I can't speak
And carry me, carry me, carry me
Carry me home [6x]
And carry me, carry me, carry me

[Verse 2:]
So tell me about the places where you've been
And all the great things that you have seen
Entertain, say my name, play the game
And tell me your dream
Come and be my blanket when I can't sleep
I wanna be wrapt up in your skin
Close my eyes, hold me tight, be surprised
And tell me your dream

[Chorus:]
Carry me home
Sing that oh familiar song
It's just you and me
I'm just a little weak
Carry me home
Be my voice when I can't speak
And carry me, carry me, carry me
Carry me home [6x]
And carry me, carry me, carry me

[Bridge:]
When the hope has all gone
And you feel like the only one
You slide, you cry
After all that has said and done

[Chorus:]
Carry me home
Sing that oh familiar song
It's just you and me
I'm just a little weak
Carry me home
Be my voice when I can't speak
And carry me, carry me, carry me
Carry me home [6x]
And carry me, carry me, carry me
