It was beautiful, we were magical,  
And I gave my heart to you!  
You were everything,  
And I was...  
Both here waiting for the truth!  
But we don't say much, we don't even touch,  
We let pride get in the way.

Chorus:  
And baby we're fighting, cause we're waiting,  
And we let it sleep away!  
Hesitating, didn't like it enough  
This willing I've been left to say.  
Cause I know, you know,  
We are fading!  
I know, you know,  
We are fading!  
We are fading!

Like a little girl, in a greater world,  
I'm holding on to memories.  
Cause my broken dreams are all that is left for me,  
And I cannot pretend no more, no!  
Cause we don't say much, we don't even touch,  
We let life get in the way!

Chorus:  
And baby we're fighting, cause we're waiting,  
And we let it sleep away!  
Hesitating, didn't like it enough  
This willing I've been left to say.  
Cause I know, you know,  
We are fading!  
I know, you know,  
We are fading!  
We are fading!

Maybe we're meant to be together,  
But now it's too late to make forever!  
The image of you and I is perishing in the night,  
Baby we're fading away, away.

I'm fading away cause we're...  
And we love each other...  
As the... didn't like it,  
And I... this willing I was left to say.

Chorus:  
Cause I know, you know,  
We are fading!  
I know, you know,  
We are fading!  
We are fading!

Maybe we're meant to be together,  
But now it's too late to make forever!  
The image of you and I is perishing in the night,  
Baby we're fading away, away.  
Oh!  
We're fading
