FROM SARA WTH LOVE

BY:Sarah Connor

Lyrics produced by :Seraena Ribeiro

For so many years we were friends

And yes I always knew what we could do

but so many tears in the rain felt the night you said

that love had come to you

I thought you were not my kind

I thought that I could never fear for you

the passion and love you were feeling

And so you left for someone new

and now that you are far and away

i am sending a letter today

from Sarah with love

shes got the lover she is dreaming of

she never found the words to say but I know that today

shes gonna send her letter to you

from Sarah with love

she took your picture to the stars above

and they told her it is true

she could dance for the love of you

so don't make her blue when she writes to you

from Sarah with love

So maybe the chance for romance is like a train to
catch

before it is gone

I keep on waiting and dreaming you're strong enough
to understand

As long as you're so far away

I'm sending a letter each day

From Sarah with love

she got the lover she is dreaming of

she never found the words to say but I know that

today she is gonna send a letter to you

from Sarah with love

she took your picture to the stars above

and they told her it is true

she could dance for the love of you

so don't make her blue when she writes to you

From Sarah with love

lalalalalalalalalal

from Sarah with love

she has got the lover she is dreaming of

she never found the words to say but I know that today
she is gonna

send her letter to you

from Sarah with love

she's got to know what you are thinking of

cos every little now and then and again and again

I know how her heart cries out for you
from sarah with love
she has got the lover she is dreaming of
from sarah for all sarah with love
she took your picture to stars above
and they told her it is true
she could dance for the love of you
so don't make her blue when she write to you
from Sarah with love
so don't make me blue when I write to you
from Sarah with love
