Chorus:

If you were my man I could be your fantasy
(and) If you were my man I'd give you sweet ecstasy
(yes) If you were my man What I'd do
If you were my man - If you were my man

Verse 1:

Boy I see you lookin at my body
With that look in your eyes
And even though you're standing with your girl
You've got me on your mind

B-section:

If we spent one night boy I'd love to touch your heaven
And do you right just sit back enjoy the ride
Baby close your eyes there's so many things that I want
to do
Baby with you oooh baby baby

Chorus

Verse 2:

I'm not into stealin other lovers
But we both know this game
And lookin at the way you want me baby
I know you feel the same oooh baby
