Lying next to you is like being with a ghost
I'm reaching out for you
And there is nothing there to hold
I can't stop loving you
It's out of my control
Standing here and holding on to letting go

(chorus)

But I'm falling apart
I'm falling to pieces
Falling in and out of love
Never knowing where it leads us
I'm out of time
And I'm out of reasons to stay
I'm outta choices to make
I'm all here on my own
In love alone
In love alone

How can i open up
When everything is closed
Are you the enemy
I fight without a cause
How can a love so strong

Become a silent war
I'm standing here and holding on to letting go

(chorus)

This is the nightmare
That never ever went
Is hard as I'm trying
I know i cant pretend
I gotta let go now
and yes im gonna let go
and know what he is thats holding me up in love

but im falling apart
falling to pieces
falling in and out of love
Falling in and out of love

Never knowing where it leads us
I'm out of time
And I'm out of reasons to stay
no no more choices to make
I'm all here on my own
In love alone
