(feat. TQ)

Word up!

It's your toy T.Q. still keepin' it gangsta around the world

With my girl Sarah, brand new diva
(westside)

Put your hands together
We're comin' on a whole new level

Let's get back to bed, boy (yeah)
Let's get back to bed, boy (give it up)

[Verse 1:]

Now the time has come that I'm telling
It's definitely you that I'm wanting
Boom, boom, boom I hear you knocking
Everytime you leave I start crying
(don't cry)
Kiss me on the left, kiss me on the right
With you're uh uh, boy, you make me happy all night
Boom, boom, boom my heart's going
All I wanna do is stay in bed with you

[Bridge:]

Hey yeah, get down cause all you're gonna give
You'll get back from me (you get back to me)
Hey yeah, get down
(we had planned baby)
Let's get back into bed baby

[Chorus:]

Monday until Sunday we take for the foreplay
Let's get back to bed, boy, (come on)
Let's get back to bed, boy
April 'til November I will kiss you tender
Let's get back to bed, boy (come on)
Let's get back to bed, boy
Morning until evening you should not be leaving
Let's get back to bed, right now
(yeah, ha ha that's right)

[Verse 2:]

Now you understand how I'm feeling (yeah)
It's definitely love that I'm needing (that's right)
Boom, boom, boom my heart's beating
We better stay in bed (look here)

I know what you can do

[TQ:]

You say you wanna go to bed baby
(you shut your mouth)
Well, I'd happily oblige, we'd go for a ride
But now I'm back inside
Droptop benz with hot boys on the side
(that's right)
Pull up to the dough we drove for you
And I Miss Sarah, I wanna wear you like a Gucci sweater
To get you all alone in a tong I'd do whatever
Get me a bottle of Dom, I do it better
Wake up in the morning baby stuck together, baby you
and I

[Bridge:]

Hey yeah, get down (get down)
Cause all you're gonna give you'll get back from me
(you're gettin' back from me)
Hey yeah, get down (no more plan baby)
Let's get back into bed baby

[Chorus 2:]

Monday until Sunday we take for the foreplay
Let's get back to bed, boy, (come on)
Let's get back to bed, boy
April 'til November I will kiss you tender
Let's get back to bed, boy (come on)
Let's get back to bed, boy (yeah)
Morning until evening you should not be leaving
Let's get back to bed, boy (come on)
Let's get back to bed, boy

[Sarah:]

I'm not your sister, you're not my brother
There are so many things that we should discover
(you're damn right)
So let's get it on, get it on with each other
(yeah come on, give it to me baby)

[nanana part:]

Let's get back to bed (yeah, come on, give it to me
now)
