I'm in the club with my girlie's just hangin' loose  
I see you comin' up early lookin' so cute  
We start to rock on the dance floor to get it on  
But when it comes to a bit more all your charm's gone

My intuition keeps me from wishing  
You could be Mr. Right  
My intuition tells me, don't miss him  
Love would be a waste of time

Self-confidence is remaining I must be wrong  
You say the best entertainment is when you're gone,  
gone  
You say you'd love me forever it's plain to see  
But I believe you can never satisfy me

My intuition keeps me from wishing  
You could be Mr. Right  
My intuition tells me, don't miss him  
Love would be a waste of time

My intuition keeps me from wishing  
You could be Mr. Right  
My intuition tells me, don't miss him  
Love would be a waste of time

I can't give you what you want and  
This rejection's your protection

I know, I know, I know, I know  
You want, you want, you want a baby  
I know, I know, I know, I know  
You want, you want, you want me

I know, I know, I know, I know  
You want, you want, you want a baby  
I know, I know, I know, I know  
You want, you want, you want me

My intuition keeps me from wishing  
You could be Mr. Right  
My intuition tells me, don't miss him

Love would be a waste of time

My intuition keeps me from wishing  
You could be Mr. Right  
My intuition tells me, don't miss him  
Love would be a waste of time

My intuition keeps me from wishing  
Oh yeah you could be Mr. Right, no
