[Intro]

Don't miss this invitation boy

[Verse 1]

I'm touching on my body

I'm thinking 'bout you beside me

I can't wait for you to get here tonight

Boy I'm so excited

I really hope you don't mind that I started without you

But I got tired

Of waiting for you cause I called you 'bout an hour ago

What else can I do

So I went ahead and started the show

Boy, hurry up and come home

[Chorus]

Ohhh

I wanna get it started

Ohhh

You and me private party

Ohhh

Boy you're about to miss this invitation

To amuse yourself up in my park

Come and start

Ohhh

Get it started

Ohhh

My private party

Ohhh

Don't miss this invitation, boy

Because this is where this party's just about to start

[Verse 2]

I'm here anticipating

The changes that we'll be making

So I got the mirror facing the bed

Exploring all my regions

While all the time I keep thinking

That I'd rather have you with me instead

I'm waiting for you, boy  
It's been about an hour ago  
What's taking you so long?  
What else can I do  
So I went ahead and started the show  
Hurry baby  
Come home

[Chorus]

Ohhh  
I wanna get it started  
Ohhh  
You and me private party  
Ohhh  
Boy you're about to miss this invitation  
To amuse yourself up in my park  
Come and start  
Ohhh  
Get it started  
Ohhh  
My private party  
Ohhh  
Don't miss this invitation, boy  
Because this is where this party's just about to start
