you're sexy as hell
gimme your love
gimme your love
while recording
gimme your love
gimme your love
i cant hold it back
you're sexy as hell

i wanna sing about all the things
that we think about but is not happenin
i wanna take u to another place
wanna dance all night
wanna feel the bass
pumpin in my body now
somethin that will make me loud
dont stop till i scream it out
i cant hold it back

i m trippin because
i m cravin your love
u got me to sing
i want it want it
i m trippin because
i m cravin your love

u got me to sing
i want it want it

you're sexy as hell
gimme your love
gimme your love
while recording
gimme your love
gimme your love
i cant hold it back
you're sexy as hell

u need to make it stop
i m not allowed to touch
i want it way too much
your body and your mind

u do it everytime
u make me cross the line

you're sexy as hell
gimme your love
gimme your love
while recording
gimme your love
gimme your love
i cant hold it back
you're sexy as hell
