Under my skin

VERSE 1:

You're not the type of man who shake my hand like nice  
to meet ya (cha)

You pull me in and then begin to let your body say

All is possible, now I know ooooh

The lights are dimmed and takes my limits off a million  
meters

You Breaking my chains again but nothing remains the  
same

Now I'm hypnotized, realized ooooh

CHORUS:

When we touch I can feel we've got a chemistry

Can't get enough watch out when you stand so close to  
me

I've got you under my skin

When we touch I can feel we've got a chemistry

Can't get enough watch out when you stand so close to  
me

I've got you under my skin

VERSE 2:

It turns me on when all your pupil you're my teacher  
teacher

Get in position that's my mission on the floor tonight

I've been exercised, sensitized ooooh

The way that you perform the close at torn right off the  
rig dab

Checking' the room again, un taming the beast within

And if they ask me why can't deny ooooh

CHORUS:

When we touch I can feel we've got a chemistry

Can't get enough watch out when you stand so close to  
me

I've got you under my skin

You send me off I can't wait to feel your hands on me

And when we rock feels just like the devil's riding' me

I've got you under my skin

C-PART:

Come over here, Boy  
I want your one, one, one  
I made a clear, boy  
I want to have some fun  
I want you  
I wane you  
I've got this feeling  
And it just won't stop  
It's getting so hot  
Come help me take this off  
I want youl wane you  
under my skin

CHORUS:

When we touch I can feel we've got a chemistry  
Can't get enough watch out when you stand so close to  
me  
I've got you under my skin  
You send me off I can't wait to feel your hands on me  
And when we rock it feels just like the devil's right in  
me  
I've got you under my skin  
When we touch I can feel we've got a chemistry  
Can't get enough watch out when you stand so close to  
me  
I've got you under my skin
