[Verse 1]

You got it, got it goin' on
The way you lead the ladies on
You know it, it's all because of you
They want it, they all want a piece of you
It's crazy what you do to me
Freaky is how you make me feel
I see it they wall want it, too
They want it, they all want a piece of you

It's all over when ya do that thing ya
Do you know you shouldn't ever
You got it, got me feeling dirty do ya
Wanna a lover who you know can please ya

[Chorus]

You're the kinda man
A man they wanna roll with
You're the kinda man
A girl wanna go home with
You're the kinda man
I wouldn't wanna show with
You're the kinda man
For me, for me

[Verse 2]

I want it, I could teach you something new
I got it, I got something for you
The way I know what you should do
And then I'll give myself to you
It's all over when ya do that thing ya
Do you know ya shouldn't ever
You got, got me feeling dirty do ya
Wanna a lover who you know can please ya

[Chorus]

You're the kinda man
A man they wanna roll with
You're the kinda man
A girl wanna go home with
You're the kinda man
I wouldn't wanna show with

You're the kinda man
For me, for me

[Rap part]

[Chorus]
You're the kinda man
A man they wanna roll with
You're the kinda man
A girl wanna go home with
You're the kinda man
I wouldn't wanna show with
You're the kinda man
For me, for me
