"A Curse Upon My Unholy Vagary"

I was enchained
Heard a beguiling voice
The sirens sang
Their songs

Now I'll be
Their next casualty
For all my deeds
I'll count the cost

I followed the sound
Of these charming gorges
Was paralyzed
And couldn't think
Driven by passion
I recognized
Their graceful bodies
I lost control

I did feel horny
Thought I was right
But now I realize
That's my demise

Beastly, brutal, sick
No chance to escape
They encircle me
And then it starts
Trusted the wrong creatures
Trusted some sluts
This painful agony
Was caused by one vagary

A curse upon my unholy vagary
A curse upon my unholy vagary
A curse upon my unholy vagary

A curse upon my unholy vagary
A curse upon my unholy vagary
A curse upon my unholy vagary

Unholy vagary.
