"This Blustery Ocean"

On the ground we will decay

The sea is wuthering and wild
Like a preposterous strife
I see the waves of disgust
Poseidon, save our lives!

We fight a senseless battle
Against this blustery ocean
The human ship is sinking
And there's nothing to do
Too late to alter course
No last chance to prevent
The impending disaster
We need divine relief

Restrain this blustery ocean
To reject our rising fear
Restrain this blustery ocean
Now because the end is near

It takes us deeper and deeper
Into dark and unknown spheres
There is no crutch
There is no place to hide

It takes us deeper and deeper
Into dark and unknown spheres
There is no crutch (no crutch)
There is no place to hide

Restrain this blustery ocean
To reject our rising fear
Restrain this blustery ocean
Now because the end is near
Restrain this blustery ocean

To reject our rising fear
Restrain this blustery ocean
Now because the end is near.
