Dreaming, Hoping, for another try
I've been looking, searching,
deeper down inside
and if I lose my way
I'll find another road
cause I can make a change on my own

I'm Moving on
and I gonna get stronger now
and nothing would break me down
I will not give in to doubt
those are gone
I can be who I wanna be
and start live my life for me
I believe it finally, I'm moving on

Something, somewhere,
that I'm long to find
I'm learning, slowly, one day at the time
that if I lose and fail, I'll be fine

I'm Moving on
and I gonna get stronger now
and nothing would break me down
I will not give in to doubt
those are gone
I can be who I wanna be
and start live my life for me
I believe it finally, I'm moving on

(I am moving)to a brighter down
(I am moving)gotta take the fight
(I am moving)I can make it right
(I can make it right)

I'm Moving On!
Nothing Would Brake Me Down
I will not give in to doubt
those days are gone
I can be who I wanna be
and start live my life for me
I believe it finally, I'm moving on

(I am moving)Yes, I'm moving on
(I am moving)I'm Moving on!
