Mary stole her sister's doll  
Defaced it with acid  
She likes to upset her  
She sometimes beats her black and blue  
Always in a bad mood

Mary drinks oh Mary drinks  
Can't replace her dreams  
It's time for her to see the world  
Though she hates what she sees

Mary met a gentle boy  
So she could finally understand  
Why her stupid sister  
Used to come home late at night  
Know she knows

Mary drinks oh Mary drinks  
Can't replace her dreams  
It's time for her to see the world  
Though she hates what she sees
